

TEMPORARY SIGN PERMIT

Under the 1989 amendment of the Zoning Ordinance, specifically, the sign Code 905(V)(J), the use of TEMPORARY SIGNS are regulated by a NO COST permit. A permit is to be obtained before any type of temporary sign is utilized, such as banners, pennants, A-frame signs and or flags.

The use of lights for advertising is limited to the holiday season and is allowed for period of time not to exceed 60 days.

Temporary signs are limited to 180 DAYS PER CALENDAR YEAR. The time allotment may be used in BLOCKS OF ONE WEEK TO A MAXIMUM OF 60 DAYS. Once this permit period has expired the temporary sign must come down and no further temporary permit can be issued for a period of sixty days.

Hot Air Balloons are subject to a different set of rules and regulations.

Failure to obtain a permit for a temporary sign or failure to comply with the provisions of the sign code may result in a court summons and abatement procedures.
